SPACEALIST

Where space meets specialist.

Space industry consulting

Your insider in the European space sector.

Michal Kuneš
Founder of SPACEALIST

ABOUT

Built inside the European space ecosystem.

For more than 15 years I have worked in the Czech and European space sector, as Project Manager and Consultant at the Czech Space Office and as Programme Manager of ESA BIC Czech Republic. I founded SPACEALIST to put that experience, and the relationships behind it, to work for my clients.

15+
years in the Czech and European space sector

100+
space and deep-tech startups mentored

ESA + EU
proposals written, won and evaluated

PRINCE2
certified project manager, with master's degrees in space engineering and business

Member of the International Astronautical Federation · Former Executive Council member of the Space Generation Advisory Council

SERVICES

I work with you, not around you.

Entrepreneurs
From a space business idea to a clear first plan.

Startups
Funding, incubation and the road to the first customers.

Investors
Scouting and due diligence of space and deep-tech startups.

Companies
Your place, partners and funding in the space market.

International companies
Your way into the Czech and European space sector.

Academia and research
Proposals, consortia and industry partners for your research.

PROCESS

Simple. Direct. Personal.

1 Intro call
30 minutes. We talk about your situation and your goals, and whether I am the right fit.

2 Clear proposal
Scope, timeline, and fee. No surprises. Project-based or ongoing retainer. If you wish, we sign an NDA and a written contract.

3 We get to work
Direct contact and regular updates at every step. English and Czech. Prague and beyond.

Let's talk.

Whether you have a specific project in mind or just want to explore what's possible, I'm happy to talk.
